PRIVATE EVENTS

# Sucre Fire Dining

Nestled in the heart of Dubai's DIFC, Sucre Fire Dining specialises in the art of open-fire cooking, showcasing the rich flavours of the Mediterranean.

The menu is a celebration of passion and heritage, with dishes inspired by the chefs' personal culinary journeys and cherished childhood memories.

Complemented by an extensive global wine collection and signature cocktails from the bar, Sucre Fire Dining offers a truly exceptional dining experience.

## The Restaurant

Our dining room exudes a warm, inviting ambiance, featuring an open kitchen where the mesmerizing Parilla grill takes center stage, inviting guests to engage with the art of fire cooking. The space is highlighted by a rich palette of earthy tones and a mix of plush and patterned seating.

The overhead crystal chandeliers cast a soft, flattering light, enhancing the intimate yet lively atmosphere. Exposed brick walls add a touch of rustic charm, contrasting beautifully with the elegant, white table settings.

The thoughtful arrangement of the dining area not only accommodates lively gatherings but also ensures an intimate dining experience, suitable for both spirited socials and discreet conversations. This space is ideal for those who appreciate a dining environment that is as aesthetically refined as it is welcoming.

## Restaurant Bar

The Sucre Bar, with its warm wooden finishes and a striking carpet as its backdrop, is a designated smoking area where guests can enjoy a drink.

With its ambient lighting, it's an inviting spot for guests to gather for a leisurely pre or post-dinner beverage, offering a collection of fine spirits and thoughtfully crafted cocktails.

The environment is intentionally laid-back yet polished, catering to those who enjoy a sociable and comfortable venue.
